Turn Stalled Pipeline into Revenue

ABOUT COMPANY

Relay isn't built to store static data—it's built to drive momentum. By monitoring response velocity and lead decay automatically, Relay ensures your sales reps focus on high-value, high-risk deals before they turn ice cold.

THE PROBLEM

- ⚡ Lead Decay: Auto-flags deals untouched > 5 days.
- 🔥 High Risk: Elevates \$10k+ stalled deals.
- 📊 Zero-Bloat: Modern Kanban & Table views.
